

Office of the Director  
of Central Intelligence

DATE: 28 February 1974

TO: Mr. Proctor, Mr. Walsh,  
Mr. Ernst

SUBJECT:

Attached is a note I received on 27 February from [redacted] enclosing a curriculum vitae. It looks quite promising, particularly when projected against the impression he made during his visit. I am not competent to judge the professional quality of his economic writings but would appreciate it if one of you could glance at some of them. [redacted] will be back (at our invitation) on Monday, 4 March. I think he is willing to take the job and my inclination -- subject to your final thoughts and comments -- is to make him a firm offer.

George A. Carver, Jr.  
Deputy for National Intelligence Officers
